AN ADORABLE ARMFUL!
Her complexion was creamy, she had large, beautiful eyes, shining with soft brilliancy under arched brows, lips red as pomegranate blossoms, between which shone teeth of pearly whiteness, her hands and feet were of aristocratic delicacy, while the exquisite perfection of her figure, the divine roundness of her neck and the beautiful lines of her arms and shoulders were of extraordinary fineness and purity. But best of all she was the possessor of so intelligent and animated an expression that every man experienced an irresistible longing to hear her speak and a ready willingness to perform the Japanese "harikari" for a smile. This lovely and adorable being acquired these physical perfections through using Dr. CAMPBELL'S "LIFE RESERVING" ARSENIC COMPLEXION WAFERS.
